

 **NEW ENGLAND SECTION NEW TECHNOLOGY**
SECTION MEETING *REPLAY*

[FOR A LINK TO A **REPLAY** OF THIS SMPTE MEETING **CLICK HERE**](#)

DATE: WEDNESDAY, MAY 29, 2024

LOCATION: FRANKLIN TV 23 Hutchinson Street, Franklin, MA 02038

**TOPIC: 2024 POST-NAB WRAP UP
LIVE PANEL DISCUSSION**

**TIME: 6:00pm PRE-MEETING REFRESHMENTS PROVIDED, SOCIAL TIME
7:00pm MEETING PRESENTATION, LIVE PANEL DISCUSSION**

THE EVENT: After a long hiatus from live in-person Section Meetings, we are so pleased to bring back our traditional **POST NAB WRAP UP PANEL DISCUSSION**. This will be a chance to meet and chat with Technical experts from our region who made the trip to far-off Las Vegas for the **April NAB Convention**. They will share their views and ideas on the many new things they saw at **NAB**, and their insights as to how the technology changes and trends will be affecting our local industry in Motion Imaging and related Broadcast Technologies.

MODERATOR:

PETER FASCIANO
Executive Director,
Franklin TV
SMPTE Fellow

PANELISTS:

TOM SPRAGUE
Director of Engineering
National Studios, Boston
SMPTE Fellow

EMERIC FELDMAR
Director Operations
and Engineering
WBZ-TV CBS Boston

MIKE SAFFELL
Regional Director
of Engineering,
Hearst Television

JOE TYMECKI
Senior VP of
Engineering and
Technology
Vermont Public
