## **Joint Meeting with SBE Chapter 82**

Noted technical author Larry Bloomfield brings his unique "Taste of NAB" tour bus to Detroit. Ours will be the 48th stop on Larry's 78-city 2008 road trip, now in its seventh year. Out of the thousands of new products shown every year at NAB, Larry manages to pick those few dozen that are guaranteed to become part of our daily work routines in the near future. Real, innovative and very interesting stuff, not vaporware. Larry's unique, knowledgeable and humorous presentation style make for a well-spent afternoon. Clear your calendar for this date if you can.

Information on this event at Larry's website: <http://www.tech-notes.tv/> and the Detroit date at <http://www.tech-notes.tv/2008/50-Detroit.htm>.

Food and beverages will be provided. Please allow no less than three hours for everything-- food, presentation and door prizes.

Thanks to WMYD's Bob Bracken, Chair of Detroit SBE 82, whose group is sponsoring this event.
